**DECLARATION OF DEFENDANT  
INGRASSIA IN SUPPORT OF  
OPPOSITION TO PLAINTIFF'S MOTION  
FOR A PROTECTIVE ORDER**

I, Jason Ingrassia, hereby declare:

1. I am a current peace officer with the Contra Costa County Sheriff's Office, where I have worked as a peace officer since 2002.
2. On May 20, 2006, I was working in a marked patrol vehicle for the Sheriff's Office and I observed Plaintiff make an illegal u-turn. I followed Plaintiff's vehicle into a Valero gas station in San Ramon to make a traffic stop.
3. During the traffic stop, I saw indications that Plaintiff was under the influence of alcohol. After Plaintiff failed a sobriety test, I arrested Plaintiff for driving under the influence of alcohol. I also towed Plaintiff's vehicle and transported Plaintiff to the Martinez Detention Facility.

4. On September 29, 2006, I was working in a marked patrol vehicle for the Sheriff's Office and observed Plaintiff make another illegal u-turn in San Ramon. I then pulled Plaintiff's vehicle over and issued Plaintiff a citation for the moving violation.
5. From May 14th through 18<sup>th</sup> and May 20<sup>th</sup> to 25th of 2007, I attended a full time overnight police firearm instructor training course in Sloughhouse and Jackson, California, which is approximately 100 miles from San Ramon. This training required me to spend my nights in Jackson.
6. On May 22<sup>nd</sup> and 23<sup>rd</sup> of 2007 in particular, I was in full time overnight training outside of the Bay Area and did not come back to the Bay Area until the evening of May 25<sup>th</sup>.
7. I have never been to the home of Mr. Ha and do not know where he lives.
8. On May 29, 2007, when Mr. Ha alleges I went to his home in San Ramon for a "911" call, I was preparing for my upcoming graveyard shift out of the Bay Station precinct in Richmond, California. I never went to the "911" call on May 29, 2007, at the home at 2426 Cedarwood Loop in San Ramon and I had nothing, whatsoever, to do with that call for service.
9. At no time have I done anything to Mr. Ha that could be perceived as harassment and/or intimidation.
10. I also deny the alleged harassment of Plaintiff and all others in all respects.

I declare under penalty and perjury the foregoing is true and correct.

## FIREARMS INSTRUCTOR COURSE

### COURSE DESCRIPTION:

Firearms Instructor Course is an 80-hour course designed to train individuals to be firearm instructors. The course covers liability issues, lesson plan development, firearms course preparation, wound ballistics, basic marksmanship principles, target analysis, assessing shooting problems, static line drills, handgun and movement courses, patrol shotgun and movement courses, carbine familiarization, partner communication techniques, handgun/long gun transitions, non-traditional shooting positions, and plainclothes officer and off duty training.

Each student will be required to (1), demonstrate handgun proficiency by firing a minimum score of 80% on a modified 40 round Tactical Revolver Course (TRC), and (2), demonstrate acceptable firearms safety techniques before enrolling in the course. Unsuccessful candidates will not be allowed to register in the course.

Because this course is designed to provide practical hands on training in police tactics and weapon usage, participants in this course will engage in physically demanding classroom training exercises that include a risk of injury to the participants.

Case No. CV07-02669 CRB

DECLARATION OF RENE KENNY

18  
19 I, Rene Kenny, declare:  
20

- 21 1. I am the Secretary to the Captain of the Patrol Division of the Contra Costa County  
22 Sheriff's Department. I am responsible for maintaining the records of the patrol  
23 division and the duty rosters. The duty rosters are records created of those persons on  
24 duty on a particular date. They are broken down by station. I am making this  
25 declaration of my own personal knowledge.  
26  
27 2. At the request of Assistant County Counsel Greg Harvey, I pulled the duty logs for the  
28 month of May 2007 for the Bay Station located in West Contra Costa County. I was  
also asked to pull the duty logs for the dates May 22, 2007, May 23, 2007, May 28,

1 2007 and May 29, 2007 for both the San Ramon and Valley stations located in Central  
2 Contra Costa County.

3  
4 3. True and correct copies of the duty logs for the Bay Station are attached and marked as  
5 exhibit B to my declaration. These duty logs for May 2007 show generally that when  
6 Jason Ingrassia was on duty, except for the time he was assigned out for training (May  
7 14-17 and 22-24, 2007), he was assigned to the graveyard shift in unincorporated areas  
8 of West Contra Costa, over 20 miles from the City of San Ramon.

9  
10 4. For the specific dates of May 22 and May 23, 2007, the duty logs reflect he was in  
11 training for 9.5 hours. For the dates of May 28 and 29, 2007, Jason Ingrassia was  
12 assigned to <sup>graveyard</sup> ~~swing~~ shift out of the Bay Station located in Richmond California for patrol  
13 in the unincorporated portions of West Contra Costa.

14  
15 5. True and correct copies of the duty logs for the San Ramon station for the dates May  
16 22, 23, 28 and 29 are attached as exhibit C. These duty logs indicate that Jason Ingrassi  
17 was not assigned to the San Ramon Station at any time on the stated dates.

18  
19 6. True and correct copies of the duty logs for the Valley Station for the dates of May 22,  
20 23, 28, and 29 are attached as exhibit D. These duty logs indicated that Jason Ingrassia  
21 was not assigned to patrol out of the Valley Station at any time on the stated dates.

22  
23 7. The area of San Ramon is covered by both San Ramon and Valley stations, but not by  
24 units assigned to West County.

25  
26 The foregoing statements are true and correct. Executed under penalty of perjury on  
27 Nov. 26, 2007 in Martinez, CA.

28  
  
RENE KENNY

Case No. CV07-02669 CRB

DECLARATION OF ERINN EVANS

18  
19  
20 I, Erinn Evans, declare;

21  
22 1. I am a communications supervisor for the Contra Costa County Sheriff's Department. I  
23 make the following statements based on my personal knowledge. I am familiar with the  
24 creation of and abbreviations and notations on computer assisted dispatch log attached  
25 to this declaration. I am the custodian of records of the attached dispatch log for May  
26 29, 2007 pulled and printed from the computer assisted dispatch system on November  
27 2, 2007 at 4:01 p.m.  
28

2. Exhibit A is a true and correct copy of the dispatch log for a 911 call received from a

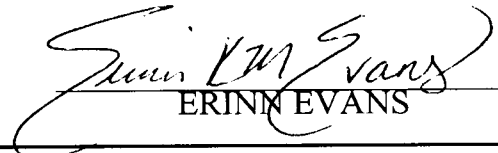

1 caller located at 2426 Cedarwood Drive, San Ramon, California from a residential  
2 number 925 964-1251 associated with telephone company customer Tran Hien. This  
3 document is created by the computer assisted dispatch system whenever the operator  
4 and/or dispatcher transmits and receives information via the computer. The entries are  
5 automatically dated and time-stamped by the computer at the time they are made. This  
6 log indicates that a 911 call was received Sheriff's Department Communications at  
7 18:56:23 on May 29, 2007 from a residential phone (925 964-1251) located at 2426  
8 Cedarwood Loop. The log recorded that the call was interrupted and that there was no  
9 voice contact.

10  
11 3. The address and telephone number and name of customer associated with 911 calls are  
12 provided to the Sheriff's department by the telephone company by a computer link  
13 called the ANI-ALI system and recorded by the computer on the dispatch log. Thus the  
14 telephone company provides the address and phone number of the phone making the  
15 call automatically and this is recorded in the computer assisted dispatch system.

16  
17 4. It is the policy of the Sheriff's Department Communications Division to dispatch two  
18 officers to the originating location of any attempted 911 which is not completed. The  
19 log indicates that two officers were dispatched by Sheriff's Communication in accord  
20 with the policy at 18:57:04.

21  
22 5. The system cannot distinguish whether the call was made intentionally or by mistake  
23 nor can it determine the identity of the caller. It can only determine the location and  
24 phone from which the call is made.

25  
26 The foregoing statements are true and correct. Executed under penalty of perjury on  
27 November 26, 2007 in Martinez, CA.

Case No. CV07-02669 CRB

DECLARATION OF TRAVIS  
HILDERBRAND  
19

20 I, TRAVIS HILDERBRAND, declare:

- 21 1. I am a dispatcher for the County of Contra Costa Sheriff's Department. I have worked  
22 as a dispatcher for the Sheriff's department since January of 2006. I was on duty as a  
23 dispatcher on May 29, 2007 in the communications center at 40 Glacier Drive in  
24 Martinez.  
25  
26 2. I have reviewed the dispatch log for a 911 call received by the Contra Costa County  
27 Dispatch Center on May 29, 2007 at 18:56:23. Based on information provided by the  
28 ANI-ALI system, the call originated from a residential phone (925/964-1251) located at  
2426 Cedarwood Loop in San Ramon, California which is attached and marked as

1 exhibit 1 to the declaration of Erinn Evans. The entry obtained from the ANI-ALI  
2 system also indicates that the phone number was assigned by the phone company to  
3 Tran Hien. This information is provided by the computer automatically.  
4  
5

6 3. As noted on the log, I was referred the call by the operator who received the call– Mary  
7 Enea. Ms. Enea’s entries on the log are designated by the call sign SC25 as noted on  
8 the bottom of the log. My entries on this log are designated by the call sign SC35. Ms  
9 Enea noted the call as a 911 unknown, priority one call. This indicates that the nature  
10 of the emergency was unknown. Ms. Enea also recorded that there had been no voice  
11 contact with the caller and that the phone had been a residential phone. (See the entry  
12 for 18:56:28)  
13

14 4. Because Ms. Enea reported that there had been no voice contact from the residence  
15 from which the call had originated, at 18:57:04, I dispatched two officers assigned to  
16 beats within the City of San Ramon to the location of the call to determine if there was  
17 a problem. The officers who were assigned to respond were Officer Abraham Medina  
18 and Officer Cary Goldberg assigned to beats 4 and 2 in San Ramon. The identification  
19 of the officers is determined when they sign on to their in-vehicle computers with their  
20 employee number.  
21

22 5. At 18:57:15, I entered that both officers were en route to the location.  
23

24 6. At 19:10:50, Officer Goldberg entered that they were on scene.  
25

26 7. At 19:13:30, I entered a notation that everything on the scene was okay (“onscene ok”).  
27

28 8. At 19:14:14, Officer Goldberg reported through his on board computer that he was  
clearing the scene and all was well.
